Banana Warranty Policy

At Banana, we want you to enjoy your new phone with complete peace of mind. Every brand-new smartphone purchased from our store comes with a [12-month] limited warranty, starting on the date of delivery. This warranty covers manufacturing defects in materials and workmanship, such as a faulty motherboard, a defective battery, a malfunctioning touchscreen, or speakers and microphones that stop working under normal use.

If your phone develops a covered defect within the warranty period, we will repair it free of charge. If it cannot be repaired, we will replace it with the same model or a unit of equal value. Replacement of a unit is available within [7 days] of delivery if the phone arrives dead on arrival (DOA) or with a confirmed factory defect. Repairs normally take [7 to 14 working days], depending on parts availability.

This warranty does not cover damage caused by accidents, drops, or misuse. This includes cracked screens, bent frames, water or liquid damage, burn marks, and damage from unofficial chargers or accessories. It also does not cover phones that have been opened, repaired, or modified by anyone outside Banana or its authorized service partners, devices with removed or tampered serial numbers or IMEI, or normal wear and tear such as scratches, faded paint, and gradual battery aging. Accessories like cases, cables, and screen protectors are covered only for [30 days].

To make a warranty claim, contact our support team at [email address / phone number / Facebook page] and provide your order number, proof of purchase (receipt or order confirmation), and a short description or photo of the problem. Once your claim is approved, send your phone to us together with the original receipt, and we will update you on the status of your repair or replacement. Please back up your data before sending your device, since Banana is not responsible for lost files, photos, or apps during service.

By purchasing from Banana, you agree to the terms of this warranty. We reserve the right to update this policy at any time, but changes will not affect orders already completed. For any questions, our team is always happy to help at [contact details].
